What does it mean to you as a member of staff, to have volunteers give up their time to volunteer for Equal Lives?

It means that we have people from all walks of life that add to the diversity of our organisation bringing their experiences to benefit us and the people we support. We couldn't operate our services as effectively as we do without the time and energy our volunteers give us. Thank you.

Just to say that I have never worked anywhere where I have felt so well supported and where everyone goes out of their way to be friendly and welcoming.

Thank You

To bring a challenge back into my life.

One year into my retirement, I found myself 'Time Rich'

With a wealth of knowledge behind me doing nothing just fading away.

Equal Lives lets me put some of my old skills to good use, whilst at the same time letting me add value to a worthy organization.

#ivolunteer

The people who volunteer their time, energy, resources and skills are completely invaluable to the services provided by Equal Lives. Each and every one brings their own unique aspect to Equal Lives. They're brilliant!

Whilst working in Admin we were always grateful of any help from our Volunteers. They helped with any aspect of Admin that needed to be done.

I don't think we would have got the daily tasks done without the help of these great people. A Big Thank you to :-
David, Moira, Paul, Sue, Sharon and Rebecca

IAA wouldn't be able to advise and assist nearly as many people as we do without the invaluable support provided by our team of dedicated volunteers. We have a great bunch of volunteers who are passionate about what they do, whether it be benefits advice, appeals work, Money Matters, NHS Complaints, or dealing with other ad-hoc enquiries. Without you we couldn't deliver our service...so THANK YOU!

“Our volunteers make a huge difference in supporting people who face disabling barriers in Norfolk to live independent and active lives. Enabling disabled people to find their voice, defend their rights and challenge inequality and injustices are vital for a healthy and inclusive society. This would not be possible without the commitment and contribution of our volunteers giving their time to support our members and service users in many different ways. We value your contribution whatever your role and hope you get as much out of the Equal Lives experience as we get from you involvement.”

Thank you!

You provide so much support throughout the organisation and we would not be able to provide our services to as many people without you. All of the time you volunteer and whatever way you support us makes a big difference.

We don't say Thank You enough so Thank You!

I think Equal Lives is so lucky to have so many lovely, brilliant volunteers that give their time to help the organisation run smoothly and flourish. I hope they realise just how much their help is appreciated.

We could not manage without our lovely
volunteers. You are all amazing. I also enjoy
our little chats on the 'bat phone' 😊 *Sandra*

I think that we are so very lucky with the volunteers we have here supporting us.

They are very dedicated and do a fantastic job. Without them we would not be able to offer the excellent service we provide.

They change so many people's lives for the better & they should be proud of this.

It is an honor & a privilege to work alongside them. 😊

#ivolunteer

The volunteers do an absolutely fantastic job and are vital to the organisation as without the volunteers an organisation like Equal Lives would struggle to exist.

#ivolunteer

The work that all volunteers do is amazing. They are part of the team and are very much appreciated for all that they do. I hope that they feel valued. Each and every person at Equal Lives brings something unique which makes it a wonderful place to work
for its volunteers and staff 😊

#ivolunteer

The Payroll and Finance service greatly values the volunteers who spend their time with us. It means that we can offer a top quality service and also meet new people too. Thank you all very much!

I hardly know where to start – our services wouldn't survive without the hard work of our volunteers, who are amazing. They are the best part of Equal Lives. They are so supportive and caring on behalf of our clients and yet will be quietly dealing with all sorts of problems of their own. I'm proud to call them friends.

#ivolunteer

Thanks a million to all our volunteers - on behalf of all the staff and our users who benefit greatly from their contributions.

You all make such a difference to our work and we are very grateful to you

#ivolunteer

Thank you to all the volunteers who provide support to the organisation; there are many more of you beavering away than most of the staff realise!!!

Volunteers are invaluable. Our services really couldn't run without them. Many of them also have a huge bank of knowledge, which means our clients get the best level of service possible. Thank you for your level of commitment to what we do here, it really wouldn't be possible without you.
