

Factsheet A10: Equal Lives' Supported Account Service

If you want to use our Supported Account Service you can make a referral by phone, email, online or in writing to Equal Lives Supported Account service. We can also receive referrals from care assessors or partner organisations on your behalf.

You will need to sign a service agreement and agree to the terms and conditions of the service, before the service starts. These documents will be sent to you once a referral has been made.

Costs for the service should be included in your support plan, as part of your Personal Budget funded by Norfolk County Council, or Personal Health Budget funded by NHS.

Equal Lives offer a Supported Account Service which will:

- Set up a Supported Account in your name
- Receive money for you from Norfolk County Council/NHS/other funding body
- Make payments from your account as requested by you. We can only make payments from your account if you have enough money available
- Keep records of the money going in and out of your account and provide you with a statement every four weeks, showing what moneys been spent and what is left
- Provide information on your account to Norfolk County Council / NHS / other funding body every four weeks, to satisfy monitoring requirements

You will need to:

- Keep ultimate control over your account and how your money is spent, by checking through your four weekly statement
- Let us know as soon as possible if anything appears incorrect

- Equal Lives will process the invoice / bill for payment within 14 days of receipt. Your service provider who gave you the invoice / bill will be informed of a payment (remittance advice) so they have this for their records
- We can only pay an invoice or bill from your supported account if there is enough money in there to do so. If you are unsure how much money you have in your account you can contact us to find out. If you do not have enough money in your account you may need to access your **contingency fund** held by the Direct Payments Office and you will need to contact them to arrange this. For more information see the 'your contingency fund' factsheet. You may choose to top up your account from your personal finances. For further information about this see the 'personal contributions, topping up your account' factsheet. Alternatively, you may need to contact your funding body
- We will send you a statement every four weeks, showing you what has been paid into and out of your supported account
- We will also send a copy of your statement to Norfolk County Council's Direct Payments Office / NHS / other funding body to satisfy their monitoring requirements

If you are also using Equal Lives' Payroll Service:

- We will pay your employee's wages directly from your Supported Account using the information you have provided on their timesheet
- We can only make these payments to your employees if you have signed the timesheets to give us permission to do so, and you have enough money in your account to make the payments

If you require further information or would like this factsheet in an alternative format you can contact us by calling: 01508 491210, by emailing: info@equallives.org.uk, or by writing to: Equal Lives, 15 Manor Farm Barns, Fox Road, Framingham Pigot, Norfolk, NR14 7PZ.
